Latham Standard of Quality

Latham liners are designed and manufactured using the most advanced technology in the industry. Our skilled and knowledgeable designers and machine operators take pride in every liner they make. As a result, you get the highest quality, best fitting liner money can buy. Our quality control is so tight, few defects get by and we back every liner with one of the best warranties in the industry. It's why more dealers specify our liners than any other manufacturer!

- Largest inground liner manufacturer in North America.
- Wide selection of designer patterns.
- Exclusive designs.

- Highest quality vinyl materials.
- State-of-the-art computer driven technology.
- Over 60 years of experience.
- Backed by one of the best warranties in the industry.
- Great for replacement liners.
- Ultra-Seam is standard on every liner.

Courtstone/Natural Grey

Featuring **ULTRA SEAM** Patent Pending Liner Technology

The strongest seams you'll never see! Over 500,000 installs!

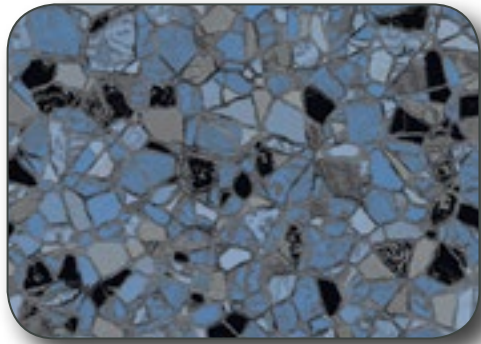

Standard pool liners present visible lines on the pool floor at the seams which ultimately detract from the beauty of the pool. Our innovative technology elevates our Ultra-Seam® liners to an entirely new category.

This exclusive process makes floor seams stronger and virtually invisible, so there's nothing that gets in the way of the picture perfect beauty of your pool! Now standard on every Latham Liner.

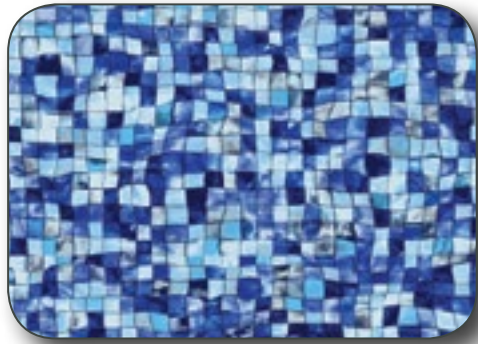

For more information, ask your dealer about Ultra-Seam!

New for 2018 *Our Cutting Edge Selection*

PEARLSCAPE COLLECTION
with Pearlescent Inks

New for 2018
Butterfly Effect Pearl Floor

New for 2018
Disco Pearl Floor

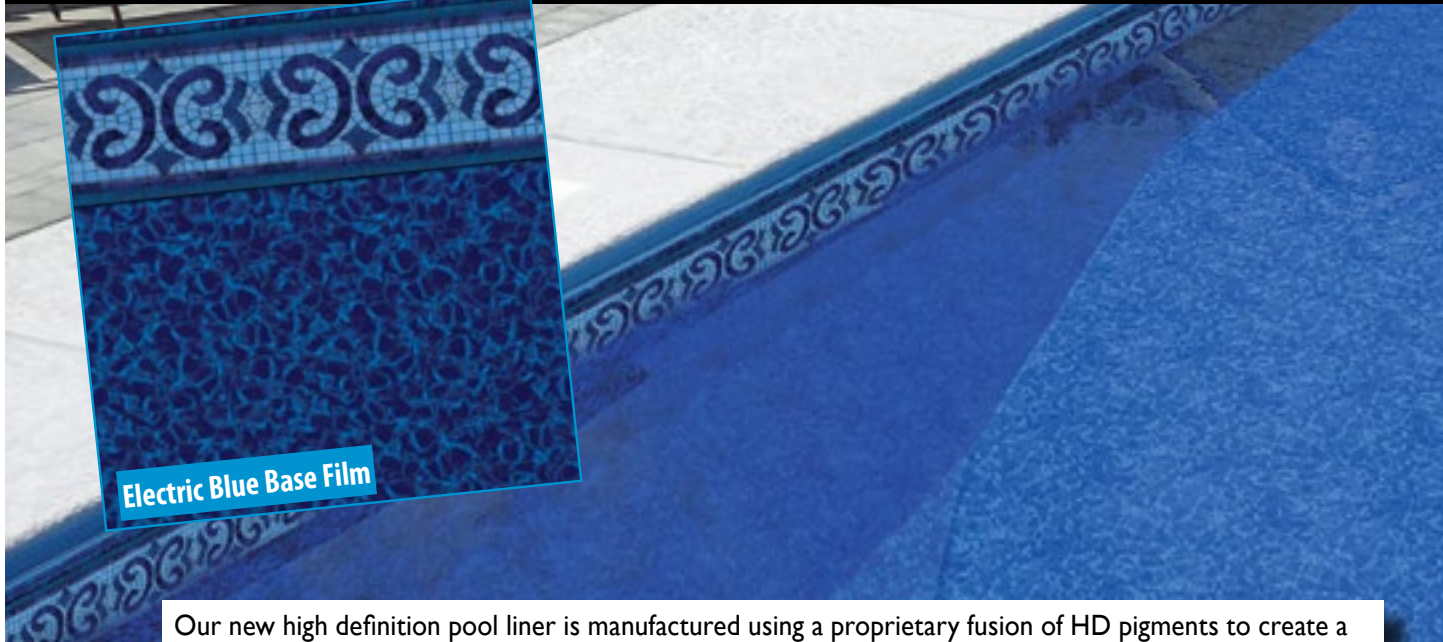

Latham offers an extensive array of designer patterns. The newest addition is our Pearlscape Collection. Iridescent inks are introduced into our traditional vinyl liners and these iridescent inks create a luminous shimmer and sparkle in your pool.

The unique Pearlscape Collection liners are made from the best vinyl material available, and are algae and bacteria treated and UV resistant for a longer life.

Built-In Beautiful Vinyl Over Steps System

Look how easy it is to add PIZZAZZ to any existing pool. Our Vinyl Over Steps system can be used in any type of vinyl lined pool – polymer wall, steel wall, concrete, or fibreglass.

Consider our Vinyl Over Steps system for a beautiful uninterrupted liner pattern across your pool, and to build steps customized to your design specifications. Ask your dealer for details.

From Simple to Sophisticated

Tread-Tex™ is now standard on all Vinyl Over Step Applications

Automatic Safety Covers for safety, savings, and convenience...

Available with Touch Pad Control

An optional keypad control with a programmable security code is also available.

A backyard swimming pool is the ultimate source of family fun! But when it comes to children and pets, it is also the source of safety concerns. No parent can be watching over the pool every minute. No fence or alarm can prevent a child from getting access to an unsupervised pool. A Coverstar[®] or Pool Cover Specialists[®] automatic safety pool cover can!

Strong protection with your automatic safety cover.

Your Coverstar or Pool Cover Specialists automatic safety cover will create a barrier over your pool that no child or pet can penetrate. With the optional Touch Pad Control, use the key pad to program alerts sent via text or email with your home WIFI network. Be informed on who activated the cover, and when the cover was activated - both opening or closing...plus many other programmable options are available.

The perfect fit!

Custom-built to fit your pool perfectly and manufactured from our best-in-class materials, this is the best protection available for your family and your pool investment!

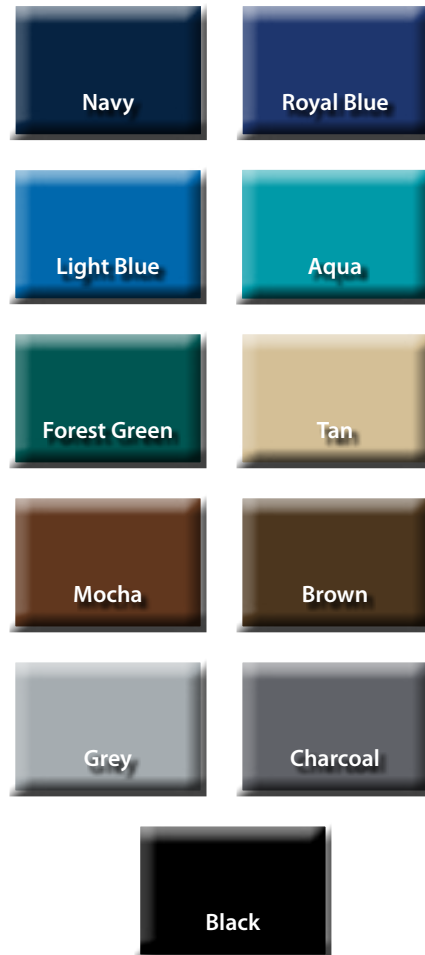

Save on heat, water, electricity, and chemicals.

A Coverstar or Pool Cover Specialists automatic safety cover acts as a passive solar heater, increasing the temperature of your water by eight to ten degrees. It also reduces evaporation of water as well as consumption of chemicals.

Less time cleaning...more time enjoying!

A Coverstar or Pool Cover Specialists cover keeps dirt and debris out of your pool. The time spent cleaning out dirt and leaves and putting in new chemicals is almost eliminated!

Choice of eleven standard fabric colors.

Latham Safety Covers

Latham Pools Safety Covers – The right safety cover to fit your needs.

Latham Pool Products offers mesh covers for maximum drainage and solid covers that block 100% of sunlight – in a variety of material weights and colours. All can be custom designed to fit any size or shape pool precisely, including any special features such as raised walls, diving boards, stairs, and rails.

Shown with our Exclusive 9000MX[™] Safety Cover

9000MX[™] Self-Draining Mesh

The 9000MX is engineered for a new level of protection. Built with reinforced mesh, box stitched thread at critical webbing joints and equipped with heavy-duty suspension, this cover is designed to exceed expectations and is appropriate for demanding applications.

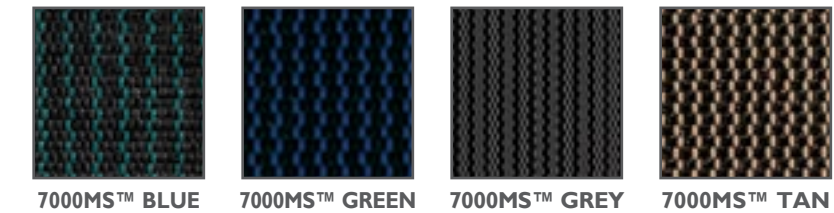

9000MX[™] Exclusive Design

7000MS[™] Self-Draining Mesh

A light-weight, ultra-fine weave mesh blocks 99% of sunlight and filters fine dirt particles down to 40 microns. Rain and melting snow simple drain through the mesh. Excellent all-climate performance in a low maintenance, easy care cover.

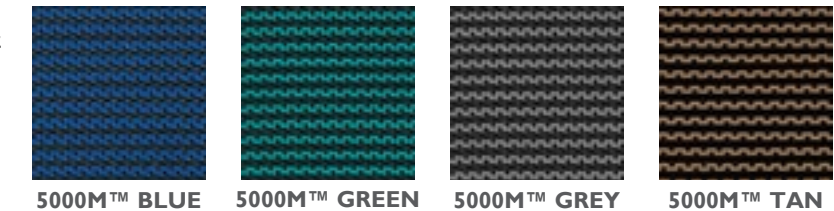

7000MS[™] BLUE 7000MS[™] GREEN 7000MS[™] GREY 7000MS[™] TAN

5000M[™] Self-Draining Mesh

This durable micro weave fabric has the highest abrasion resistance and tear strength in its class. It filters debris and dirt while allowing water to freely drain through the mesh. A good choice for a combination of protection and value.

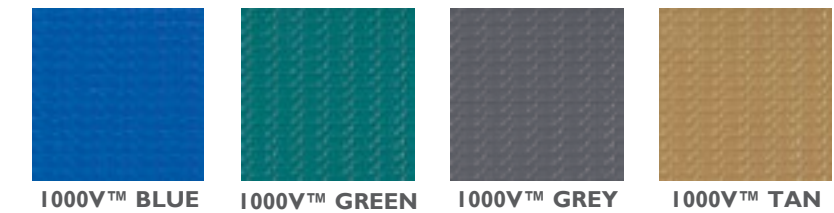

5000M[™] BLUE 5000M[™] GREEN 5000M[™] GREY 5000M[™] TAN

1000V[™] Solid Vinyl

Our solid polyester vinyl cover is a complete barrier to sunlight, dirt, debris, and water. Heavy-duty construction provides protection from the elements and prevents algae growth, which helps for faster spring pool openings.

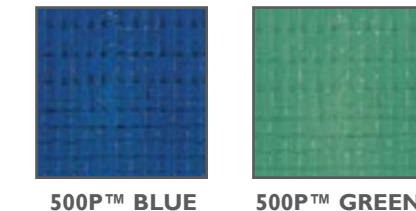

1000V[™] BLUE 1000V[™] GREEN 1000V[™] GREY 1000V[™] TAN

500P[™] Lite Duty Solid Vinyl

Our lite weight 7 oz. solid polyester vinyl cover will provide a 100% barrier from the sun. The light weight material is easy to handle, and is UV and mildew resistant.

500P[™] BLUE 500P[™] GREEN

Available in blue and green.

*9000MX and 7000MS Mesh U.S. Patent No. 6,886,187 – 99% Shade

Properly winterizing your pool in conjunction with a Latham safety cover will provide maximum protection against algae growth. With 91% sunblock, the 5000M, may be less effective in minimizing algae growth in certain installations.

Be Smart, Play it Safe

Safety Information

IMPORTANT: A number of very important items that are essential for the safe use of your pool may not be visible in many of the photographs, either because of perspective or camera angle, or because they were removed for photographic purposes. These items include, but are not limited to:

1. Safety ropes, which should remain in place at all time;
2. "No Diving" signs, which are provided and should be installed in accordance with instructions included on the coping or liner, where they are clearly visible;
3. An area sign is provided and must be permanently and conspicuously affixed in the pool area where all users can see it;
4. Necessary means of exit and entry into the pool;
5. Fencing with a self-latching gate, and other barriers that can assist in preventing unsupervised access to the pool by children;
6. Approved drain covers and other devices to protect against suction entrapment;
7. Minimum required inlets and returns to ensure proper water circulation;
8. Appropriate inpool lighting if the pool will be used after dark.

All of these devices should be installed in accordance with manufacturer's instructions, ANSI/NSPI or ANSI/APSP/ICC standards, as well as state and local statutes and codes.

Diving boards and slides require minimum depths and distances and must only be installed and used in strict compliance with the equipment manufacturer's specifications and ANSI/NSPI or ANSI/APSP/ICC standards. If the pool is labeled by us as NON-DIVING, then diving equipment must be removed before the pool is used.

Smart pool owners always think safety first. They take specific steps to ensure that their family, friends and guests are knowledgeable about the safe and sensible use of their pool. They also:

- ensure that their pool is never used unless there is adequate supervision;
- ensure that their pool is kept in good repair and is not used when there is a missing or broken drain cover or other component;

- ensure that ALL CHILDREN using their pool are supervised constantly;
- that anyone under the influence of alcohol, drugs or stimulants that would impair their abilities or judgement does not use the pool;
- ensure that their pool is protected by appropriate barriers to unsupervised entry including fencing with self latching gates, covers, alarms, etc.

To assist you, a number of very important items of safety literature are included with each pool liner also available upon request. We must insist that you read each item carefully and follow its instructions. These are:

- Pool Owners Safety Handbook
- APSP "Sensible Way" Book
- Vinyl Swimming Pool Liner-Warranty
- "Children Aren't Waterproof" Book
- "No Diving" Labels
- Area Sign

Make sure your builder supplies you with all of the safety information that accompanies your pool and installs the enclosed warning stickers and area sign where they can be clearly visible to all who use the pool.

NOTICE: The manufacturer stands behind every product they produced pursuant to those representations which are stated in the written warranties. Your dealer/builder/contractor is an independent business person and not an agent or employee of the manufacturer. The manufacturer cannot and does not accept any responsibility for any representations, statements or contracts made by any dealer/builder/contractor.
